

## **WALK IN PREGNANCY TESTING**

If you are already our Patient:

- Come in at your convenience during office hours to receive your pregnancy test.
- No appointment necessary.
- 9 am – 4:30 pm

New Patient

- We will check your insurance.
- If insurance is ok, you can come in any time to receive your pregnancy test.
- No appointment Necessary.
- 9 am – 4:30 pm
- If you have any of the following insurances, you will need to go to a lab that your insurance accepts to get your test done:
  - § Health America
  - § Health Assurance
  - § Gateway
  - § CIGNA
  - § UPMC for You

If you are pregnant, you will be given sample pregnancy vitamins and a prescription for a variety of pregnancy vitamins. An initial obstetrical visit will be scheduled at your convenience as soon as you want to start your obstetrical care.
